Currently, there are libraries in all 18 faculties and 24 other libraries at the university that are coordinated by the Library Unit. Libraries are the Universitas Gadjah Mada’s technical unit that gives information services to students, teaching and non-teaching staff in implementing the *Tri Dharma Perguruan Tinggi* motto, which covers education, research and community service.

Service
UGM Library gives various services to support academic activities on campus. These include provision of reference books, information search, subscription to scientific journals, theses and dissertations, digital library, all housed in spacious and comfortable reading rooms.
